### *AHEC: The Kahu Leilani M. Keanu Scholarship for Theological Education*

The goal of the scholarship fund is to develop and support clergy and laity for Christian ministry through offering grants for leadership development of clergy and laity.

The Kahu Leilani M. Keanu Scholarship for Theological Education was established in May 1999 at the time of Kahu Leilani’s ordination and installation as minister to Kalihi and Moanalua Church. Kahu Leilani used the offerings received to establish the scholarship out of concern for the future of the Hawaiian churches due to the lack of clergy to fill the pulpits. She established the Association of Hawaiian Evangelical Churches Scholarship Fund to provide financial assistance to those called to ministry in the Hawaiian churches. The scholarship fund was renamed in November 2012 to honor her commitment to Christian ministry in the Hawaiian churches.

June 10-11, 2015

Aloha Na Kahu, Na Moho` i Na Hoaloha:

Welina mai ia oukou i Kawaiiaha`o Hale Pule where our vision is: Honor God, love one another, and make disciples. It is an honor to host the Aha Iki and we pray you will experience our vision a 100 fold during your time with us. If there is anything we can do to enhance your experience at our Aha Iki, let us know.

As we meet to share, discuss, learn, and love one another, I pray we will be diligent, efficient, and courteous to all. May we press in to one another to listen, support, encourage each other often, and pray for, and with, one another. Seek to bring light, laughter, and hope to those who may need these more than we do.

But I also pray we'll be mindful of the struggles in our country and the world. Pray for the families of our brothers and sisters who are being murdered for standing firm for their faith in Jesus. They would rather die an earthly death than renounce Jesus as their Lord and Savior. Their issues are fast becoming our issues and we must be ready to stand firm while obeying Jesus' command to love God, one another, and ourselves. The world needs to see we, who belong to Jesus, are His disciples in the way we treat one another, our neighbors, and the world. They must see we are completely sold out to Him and willing to die for Him also.

Our necrology worship service will begin our time as we recognize and thank Ke Akua for those who labored faithfully among us to bring about God's Kingdom. And, as we remember our brothers and sisters, may Jesus reveal His Presence to each of us in ways we don't expect, embrace the miracle of His love for each of us, and pass on to the world who doesn't know Him yet that He is the way, truth, and the life. Let's give Heaven reasons to rejoice and the enemy reasons to know Jesus is Lord. This is good for the church, our souls, and AHEC!

May our business be wise, our fellowship inspiring, our words life giving, and our actions Christ-like.

Blessings,

Kahu Curt P. Kekuna  
Senior Pastor

E Welina Mai Kakou!

We welcome to the Aha Iki of the 193<sup>rd</sup> 'Aha Pae'āina at historic Kawaiiaha'o Church. We are honored at the privilege to be your host and we encourage you to make yourselves comfortable and at home.

We are about to embark on a wonderful time together this week. There will be budgets, amendments to bylaws, planning strategies, policies and workshops to ponder over. In that time, we can also look forward to time for reflection and celebration. In that time of reflections, please allow me to share one of Paul's letters to the Corinthians.

Paul wrote in 1 Corinthians 12:21-27: <sup>21</sup> The eye cannot say to the hand, "I don't need you!" And the head cannot say to the feet, "I don't need you!" <sup>22</sup> On the contrary, those parts of the body that seem to be weaker are indispensable, <sup>23</sup> and the parts that we think are less honorable we treat with special honor. And the parts that are unpresentable are treated with special modesty, <sup>24</sup> while our presentable parts need no special treatment. But **God has put the body together**, giving greater honor to the parts that lacked it, <sup>25</sup> so that there should be no division in the body, but that its parts should have equal concern for each other. <sup>26</sup> **If one part suffers, every part suffers with it; if one part is honored, every part rejoices with it.**

<sup>27</sup> **Now you are the body of Christ, and each one of you is a part of it.**

Throughout Scripture, God seeks to inform believers about how truly special and privileged they are. But like a single brick or stone, it is of little use by itself. It can only be used for minimal things. However, its usefulness is maximized when used alongside other bricks. Similarly, apart from one another, we cannot complete the mission God has called each and everyone us to do, either individually or corporately. We need each other!

During these few days together may we be enjoined to complete our tasks and explore the ways and means of honoring God and growing as ONE, God's Church in Hawai'i.

### **PU'A FOUNDATION** *“From Trauma to Transformation”*

*By Toni Bissen, Executive Director, Pu'a Foundation*

Trauma is a common experience for many individuals as well as families. Often the trauma affects a whole people as the pain is passed down from generation to generation. These workshops looks at the processes that can help to heal this trauma on all levels and looks at the contemporary justice issues in Hawaii, especially dealing with the sad statistic that social justice victims in Hawaii are disproportionately Native Hawaiians. Come and explore the many new faith-based-initiatives designed to help and support those in need.

### **WORSHIP** *“The Parts and Pieces of Worship”*

*By Kahu Donald Schmidt, HCUCC Associate Minister*

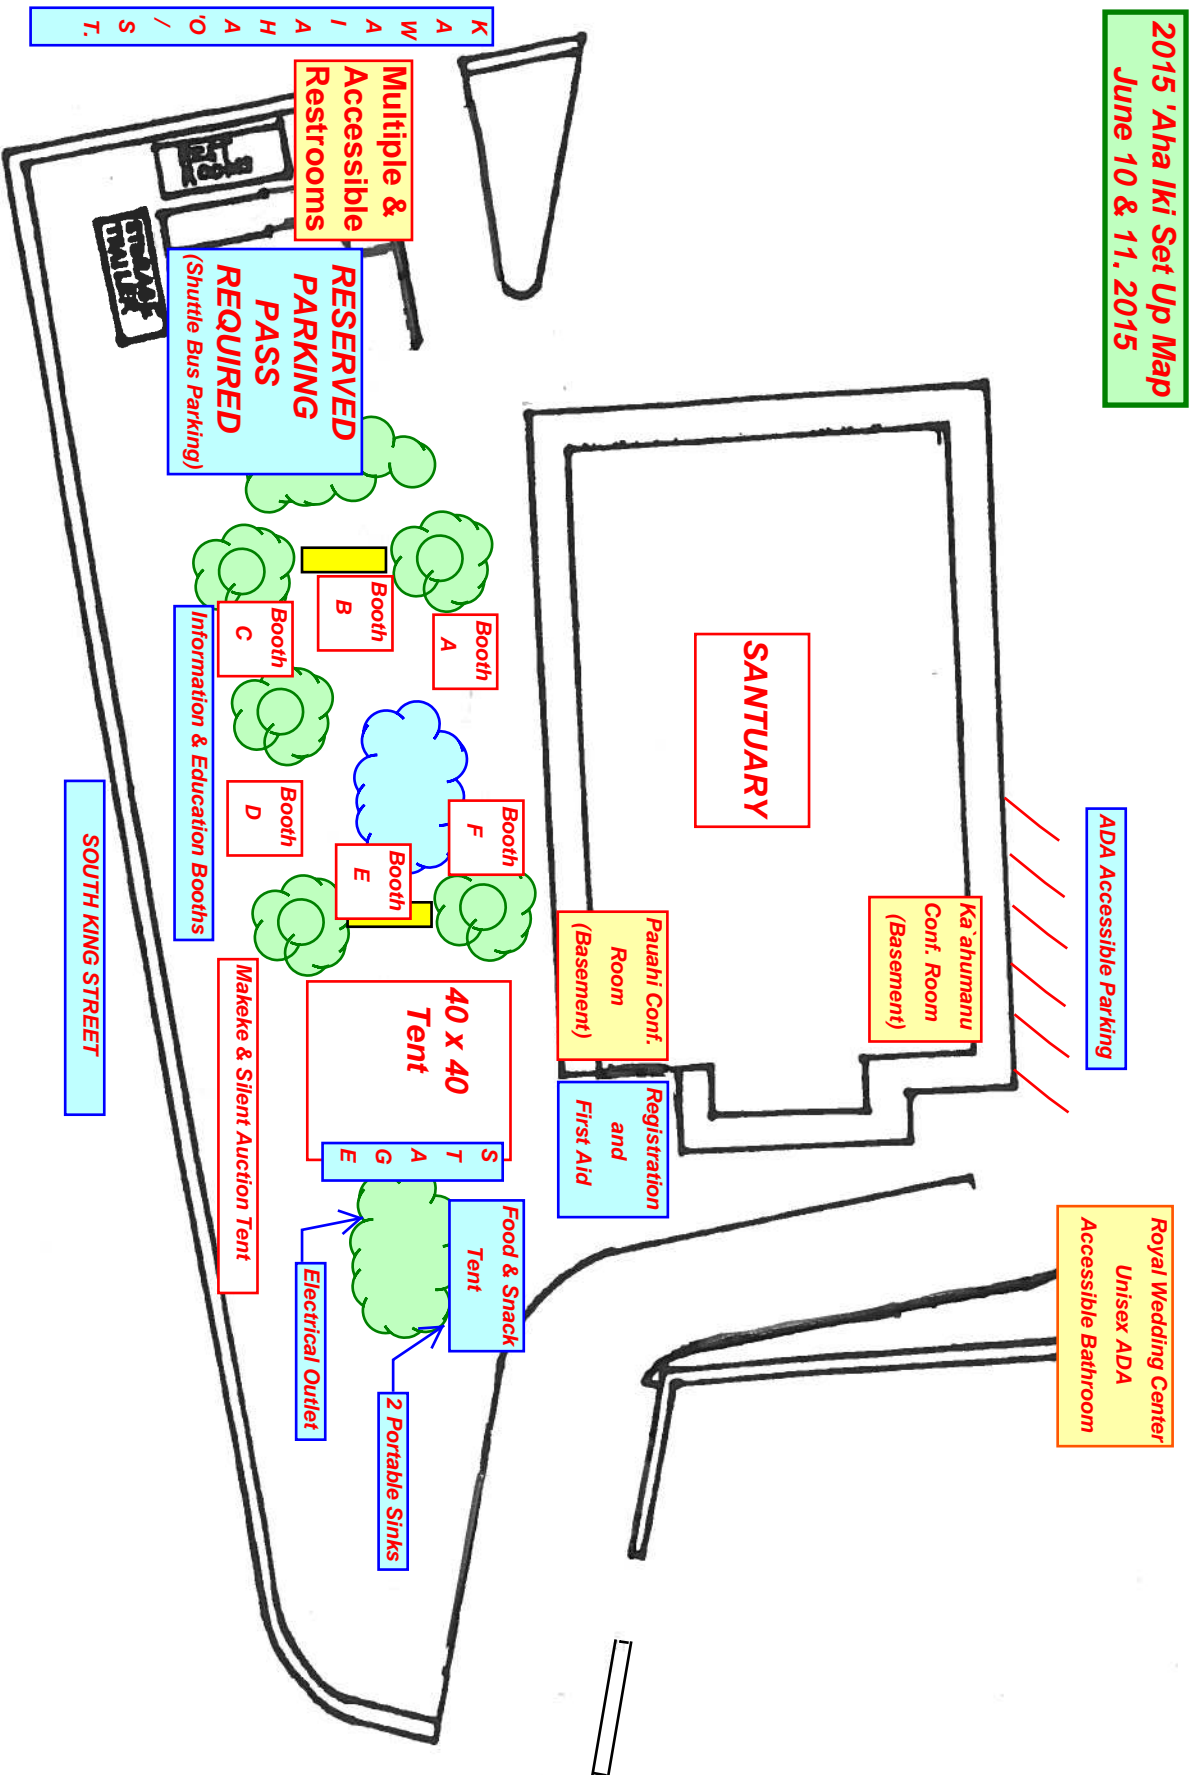

You have to put the Sunday worship service together. Where do you start? What goes where? What might happen if you did *this* instead of *that*? In this workshop we'll explore the pieces of standard worship services, and some of the ways they can fit together. Also, we'll learn how to use the indices at the back of the hymnal to help find hymns. And maybe even explore music option.

### **NĀ MO'OLELO O KAWAIAHA'O** *“A Walk through History of Kawaiaha'o Church”*
