

The Circles of Sexuality

Sexuality encompasses nearly every aspect of our being, from attitudes and values to feelings and experiences. It is influenced by the individual, family, culture, religion/spirituality, laws, professions, institutions, science and politics.

"Circles of Sexuality," adapted from *Life Planning Education*, 1995, Advocates for Youth, Washington DC advocatesforyouth.org, based on the original work of Dennis M. Dailey, Professor Emeritus, University of Kansas.
